

CLEAR THE COMPLEXION OVERNIGHT

Pimples, Rash, Eruptions, Etc., Quickly Eradicated by New Skin Remedy.

Ever since its discovery, posam, the new skin remedy, has, in its extraordinary accomplishments, exceeded the most sanguine expectations of the eminent specialist who gave it to the world. It has cured thousands of cases of eczema and eradicated facial and other disfigurements of years standing. The terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

In less serious skin affections, such as pimples, rash, herpes, blackheads, acne, barber's itch, etc., results show after an overnight application, only a small quantity being required to effect a cure. Those who use posam for these minor skin troubles should immediately secure one of the special 50-cent packages recently adopted to meet such needs. Both the 50-cent package and the regular \$2 jar may be obtained at Lee & Osgood's and Smith's drug store in Norwich, Larue's in Putnam, Woodward's in Danbury and Chesebrough's in Willimantic, and other leading drug stores.

Sample for experimental purposes may be had free of charge by writing direct to the Emergency Laboratories, 32 West Twenty-fifth Street, New York City.

NORWICH TOWN

One who some years since was a local resident, but whose home is now in the Philippines, gives these impressions of Cavite:

"Spanish is spoken by the educated classes; they are rapidly learning English and their one desire is to come to America. The trio or farming class is illiterate. Their chief occupation is raising rice.

"Little Filipino ponies draw the small two-wheeled carriage called the carromata. This is the only mode of conveyance on the islands. Fruit is very abundant; there are four varieties of the yellow banana; the mango is delicious and like a peach in flavor.

"The naval station is at Cavite. Some of the Spanish vessels sunk in the harbor by Admiral Dewey's fleet are now being raised.

"The population is made up of Spanish, English, Americans, Chinese, Japanese and Filipinos.

"While Vice President Fairbanks was in the Philippines, he was entertained

by Don Antonio Osorio, governor of Cavite province. The governor is the son of Don Antonio, a Chinese who came many years ago to the islands and married a Filipino. He owned banks in China and dealt in real estate in the Philippines. He had large interests and was one of the foremost men in his adopted country."

Attended Humane Society's Meeting.

Dr. C. H. Lamb of Town street attended the annual meeting of the Connecticut Humane society, held in his hall on Grove street, Hartford, Wednesday morning. Agents from all parts of the state were present. Many of those who had been connected with the society for a number of years were called upon to speak. Among them was Dr. Lamb, who has been an agent for 22 years.

After the morning session the members enjoyed a banquet at Habenstein's, then marched in a body to Po-H's theater. Towards the close of the afternoon, they attended the dairy-men's convention at Unity hall.

Rev. C. H. Peck of Hanover was the guest of friends here on Wednesday.

The afternoon whist was held Wednesday with Mrs. Allen Kinney of Town street.

Mrs. Fanny Holmes, a former resident, is visiting Mrs. C. Morgan Williams of Washington street.

Mrs. Charles Lillibridge and Miss Florence Chapman of the Scotland road attended the Montville service on Wednesday evening.

TAFTVILLE

Charles Gadsbo of Plainfield, Former Local Resident, Missing—Village Mention.

The death of Charles Gadsbo of Plainfield, for many years a resident of Taftville, was reported about the village Thursday morning, but was later proven untrue by his daughter, Miss Annie Gadsbo, who reached Taftville from Plainfield on the 2.40 o'clock trolley Thursday afternoon. She stated that her father had been ill, his mind having been affected, and that he strayed away from his home in Plainfield Tuesday, and although the police had been informed and a search had been made for him he had not been found when she left Plainfield. Mr. Gadsbo was a man of about 60 years and it is possible that he may have come to harm, but his family have not given up hope of his recovery. He lived in Taftville until last spring, being a weaver in the Penomah mill. He is the father of Eugene Gadsbo, who was married in Taftville Wednesday.

A Thrifty Farmer.
Jarvis Shaw, an enterprising Salisbury, Mass., farmer, gives the following figures as the product of his farm during the year: 304 bushels of potatoes, 160 bushels corn, 103 bushels onions, 78 bushels beets, 38 bushels of carrots, nine bushels of parsnips, one ton squash, 1-1/2 tons cabbage, 18 bushels of beans, 1,033 pounds rhubarb, 40 tons hay. Much green stuff and articles for home use were not reckoned. From 100 hens eggs were sold, netting \$147.51. A large lot of butter and 852 pounds of cheese helped to swell the quantity.
